

APPLICATION

For office use only:
PO Box 10720
The Terrace
Wellington 6143

Application number:.....

Date received:.....

Application for Resource Consent Pursuant to Section 146(1) of the Resource Management Act 1991

Completing this form:

This application provides us with your contact details, and details about your proposed activity and its actual and potential effects on the environment. Your application must include a copy of this application coversheet and all supporting information or reports.

Note that all the information provided in your application will be available to the public.

We recommend that you talk your proposal through with Environmental Protection Authority (EPA) staff before you attach the required reports to this application. You should also contact us if you are unsure what other forms you should be using, or if you need help with filling in any of the forms. We can be contacted on (04) 439 7713 or 0800 CALL EPA.

It is important that you answer all questions fully.

Cost recovery

Section 149ZD of the Resource Management Act 1991 specifies that the EPA can recover all costs associated with processing an application. We recommend that you contact Environmental Protection Authority staff to discuss the likely cost of processing your proposal.

Contact Details

Detailed Description of the Activity or Works Proposed

Please describe the type of resource consent that you are seeking.

I am seeking:

Land use

Water Permit

Discharge Permit

Coastal Permit

Attach the detailed description of the proposal to this application

Additional Resource Consent(s) Required for the Proposal

Do you require any other resource consents from other authorities for this proposal? Yes No

	Resource Consent Required	Resource Consent Applied For?
Land Use Consent	<input type="checkbox"/>	<input type="checkbox"/>
Coastal Permit	<input type="checkbox"/>	<input type="checkbox"/>
Water Permit	<input type="checkbox"/>	<input type="checkbox"/>
Discharge Permit	<input type="checkbox"/>	<input type="checkbox"/>

Consultation

Attach a report describing the consultation you have undertaken with any persons who may be adversely affected by the proposal to this application.

Approval of Affected Persons

Provide a list affected persons who have provided written approval of the proposal, include the following information:

Owner's Name:..... Occupier's name (if different):.....
Address:..... Address:.....
.....

Please note: Written approval forms, along with signed copies of the proposed plans, are to be completed by affected persons and should be attached to this application form.

Assessment of Environmental Effects

Please provide a detailed Assessment of the Environmental Effects (AEE) of the proposed project.

The assessment should be in accordance with the nature and scale of the application and may require expert technical reports. The terms 'effect' and 'environment' under the RMA are broadly defined. It is the role of the AEE to identify and address particular effects of a proposal on a particular environment.

The term effect includes positive and adverse effects, temporary and permanent effects, past present and future effects, and any cumulative effects.

Additional Information Required

Please provide any additional information that is required to be provided under the relevant provisions of the district/regional plan, Resource Management Act 1991 or any regulations made under that Act.

Attach any additional information or reports to this application.

If your application includes a reclamation then please provide:

1. the location and area of land that is to be reclaimed,
2. the position of all new boundaries,
3. the portion of the land area (if any) that is proposed to be set apart as an esplanade reserve or esplanade strip.

Please attach this information to this application.

Signature

I hereby certify that, to the best of my knowledge and belief, the information given in this application is true and correct. I understand that the EPA can recover its actual and reasonable costs associated with processing this application.

Signature of the Applicant or person authorised to sign on their behalf:

Date:.....

Important

You may apply for 2 or more resource consents that are needed for the same activity on the same form.

Have you included:

Applicant contact details

Details of the proposal's location, including map references and a legal description

A detailed description of the activity or works proposed

Additional Resource Consent(s) Required for the Proposal

A detailed description of the consultation you have undertaken with local groups and affected parties

Approval forms signed by affected parties

An Assessment of Environmental Effects

Any additional information needed to support the application

Cost recovery

Section 149ZD of the Resource Management Act 1991 specifies that the EPA can recover its actual and reasonable costs associated with processing this application.
