

## Appendix A

## 1080 Resource Documents

The following documents are referred to throughout the application:

1. Discussion Document "The Use of 1080 for Pest Control, A Discussion Document", July 2004.  
Author: Wren Green, Published by the Animal Health Board and the Department of Conservation. ISBN 0-478-22583-0  
<http://doc.govt.nz/Conservation/002~Animal-Pests/001~Control-Methods/010~The-Use-of-1080-for-Pest-Control/index.asp>
  
2. 1080 in Action, February 2004  
Published by Department of Conservation. ISBN 0-478-22522-9  
<http://doc.govt.nz/Conservation/002~Animal-Pests/001~Control-Methods/1080-in-Action/index.asp>
  
3. National Pest Management Strategy  
[www.ahb.org.nz/AHBWebsite/NationalTBStrategy](http://www.ahb.org.nz/AHBWebsite/NationalTBStrategy)  
  
Note: The National Pest Management Strategy was originally approved by the Government in 1998. A proposal to amend the document was made in 2001, and this was adopted in 2004. The website contains links to the amendment proposal.
  
4. Technical Review of Sodium Monofluoroacetate (1080) Toxicology  
Author: CT Eason, Published by the Animal Health Board and Landcare Research New Zealand Limited. 2002. ISBN 0-478-09346-2  
[www.ahb.org.nz/AHBWebsite/Research/1080\\_Info/5.1+1080+info.htm](http://www.ahb.org.nz/AHBWebsite/Research/1080_Info/5.1+1080+info.htm)
