

COVID-19 Recovery (Fast-track Consenting) Act 2020

Dominion Road Mixed-use Development resource consent application (the application)

M-19 Minute of the Dominion Road Mixed-use Development Expert
Consenting Panel – 26 October 2021

Further correction to Condition 1 of resource consent

1. As outlined in Minute 18, on 18 October 2021 the Panel agreed to make minor corrections to the table in Condition 1 of the resource consent.
2. The corrections were intended to be shown on the updated resource consent using strikethrough and underline and a series of footnotes added identifying the date of the correction.
3. One of the corrections was to refer to revision P02 of plan 802010 – Bulk Earthworks dated 25.03.2021. The date of the plan was corrected in the table in Condition 1 but the correction was not shown using strikethrough and underline.
4. The Panel has agreed to make a further minor correction to identify this change in the table in Condition 1. This Minute formally records that decision.
5. The updated resource consent is available on the EPA website here:
