

COVID-19 Recovery (Fast-track Consenting) Act 2020

Dominion Road Mixed-use Development resource consent application (the application)

M-15 Minute of the Dominion Road Mixed-use Development Expert
Consenting Panel – 6 September 2021

Invitation to comment on draft conditions

1. Under the COVID-19 Recovery (Fast-track Consenting) Act 2020 (the Act) the panel must provide and invite written comments on its draft conditions from the applicant and every person or group who provided comments in response to the invitation issued earlier by the panel under clause 17(2) of the Act, before granting a resource consent.
2. The Dominion Road Mixed-Use Development panel has not yet formed a view on whether resource consent should be granted to the application. However, the panel has prepared a set of draft conditions that it could impose in the event consent is granted and invites comments. All cross-references are highlighted yellow, as are the areas that are likely to be subject to further change depending on the outcome of the conferencing of the traffic and transportation experts.
3. The draft conditions are available on the EPA website here: <https://www.epa.govt.nz/fast-track-consenting/referred-projects/dominion-road-mixed-use-development/comments-from-invited-parties/>
4. Comments on the draft conditions can be sent to the EPA by email at dominonroad.fasttrack@epa.govt.nz or by post and, as per Minute 13, must be received by 5pm on **Monday 13 September 2021**.
