

12-Mar 2021	Owner 86 Prospect Tce	Update on progress and forward for consideration Landscape Plan and proposed treatment on eastern boundary.	What I would like to receive from you now if possible please is a list outlining any changes/ variations proposed to the planting and treatment of the boundary shown on these plans. We previously spoke about what type of trees, shrubs or planting you might prefer for example. We can if easier then talk through different options and confirm arrangements as necessary.		Need to follow-up as neither or were able to attend 16-Mar evening
12-March- 2021	Owner 86A Prospect Terrace	Update on progress and forward for consideration Landscape Plan and proposed treatment on eastern boundary.	What I would like to receive from you now please is a simple list outlining any changes/ variations proposed to the planting and treatment of the boundary shown on these plans. We previously spoke about an area of lawn,		Discussed with options at 16-Mar Community meeting. to revert with his preferences.

Date	Who & Format	Content	Outputs/actions	Contact details	Notes
			rock edging between the landscape area and the Overland Flow Path for example. We can then discuss and confirm arrangements as necessary.		Separately to organise
