Good Morning, I made comment on the new development application for the Federal Street residences, unfortunately when I made the comments I was confusing the development with another one that the Council wants to develop next to the new Commercial Bay Mall. All my comments are not pertinent to the correct site and I am happy for it to go ahead on Federal Street even though there will be some morning sun shading for us I predict the effects will be minimal.  
Sorry about the confusion.

Regards Debbie Keightley
