Dear Expert Consenting Panel,

**Hiringa Energy Limited and Ballance Agri-nutrients Limited - Kapuni Green Hydrogen Project**

We write with respect to the above project.

We own the property located at <sup>1339 Koki Rd</sup> [insert address] and legally described as [insert legal description].  
Title 552967, Lot 2 DP 442883

We confirm we have an ongoing and constructive relationship with Hiringa Energy Limited and we are satisfied with the applicants' consultation with us to date in respect of the project.

We confirm that the applicants have worked proactively with us to ensure we understand what the project will entail and to identify any potential adverse effects on our land that may arise out of the project.

We are satisfied that the potential impacts that have been identified can and will be appropriately mitigated by the applicants and that the applicants have taken our interests into account.

We confirm that we support the project in principle and look forward to working with the Applicants in the delivery and operation of this exciting project.

Yours sincerely,

  
Caroline Jordan
