Dear Ohinewai Foam Factory Expert Consenting Panel,

As per our original submission, we remain disappointed that our choice of rural lifestyle is going to vanish forever. We chose our property at [REDACTED] because of its rural location, views, and peacefulness. It now appears that these calming attributes will be lost, to be replaced by living in the middle of an industrial complex.

We struggle to understand how we can now extract ourselves from this property and still receive its full value, because who else is going to want to buy it for the value that could have been achieved prior to this project being imposed on us.

Yours faithfully,

Richard & Shanette Marsh
