Subject: Drury Central and Paerata Stations - Comment by Counties Energy on Draft Conditions
Date: Wednesday, 8 December 2021 11:53:09 am

Good morning

Counties Energy Limited (**CEL**) provides the following comments regarding the Draft Conditions for Drury Central and Paerata Stations:

Drury Central Station – Proposed Designation Conditions (NoR DC-S)

Definitions

CEL supports the addition of “Stakeholder” in the definitions table
Request CEL be included in the table as a Stakeholder

Outline Plan of Works (section 4)

CEL supports the additional wording and rewording throughout this section, in particular, 4(b), (c), and 4(d)(v)

As a stakeholder, CEL appreciates the opportunity for consultation regarding the OPW. The process will provide an opportunity to address matters that will affect the electricity distribution network, including but not limited to continuity of supply to existing customers and the sequencing of Enabling Works, taking into consideration the works required to accommodate the station, existing third party projects, and future Private Plan Changes in the vicinity of the station.

Urban Landscape and Design Management Plan (ULDMP) (Section 12)

CEL supports the additional wording detailing the requirements of the ULDMP and participation of infrastructure providers in the development of the ULDMP (12 (b)(i)(a)). As an infrastructure provider, an opportunity for CEL to participate in the development of the ULDMP will aid in planning the location and delivery of network extensions that will best serve future urban development.

Drury Central Station – Proposed Designation Conditions (NoR DC-I)

As per Drury Central Station – Proposed Designation Conditions (NoR DC-S) above, all CEL’s comments regarding Definitions, Outline Plan of Works, and Urban Landscape Management Plan are repeated with regard to Proposed Designation Conditions NoR DC-I.

Paerata Station – Proposed Designation Conditions (NoR P-S)

As per Drury Central Station – Proposed Designation Conditions (NoR DC-S) above, all CEL’s comments regarding Definitions, Outline Plan of Works, and Urban Landscape Management Plan are repeated with regard to Proposed Designation Conditions NoR P-S.

Paerata Station – Proposed Designation Conditions (NoR P-IA)

As per Drury Central Station – Proposed Designation Conditions (NoR DC-S) above, all CEL’s

comments regarding Definitions, Outline Plan of Works, and Urban Landscape Management Plan are repeated with regard to Proposed Designation Conditions NoR P-IA.

Kind regards
