I am generally positive on the proposal, however would like to ensure that I am informed of the detail of the plans in relation to the intersection of Melbourne Street and Betham Street where the company's apartment is located at The Glebe Apartments.

I have particular concern about noise mitigation dust created ~~by~~ during the construction phase and ventilation of the apartment complex. Also the impact on access to the apartments during construction.

I want to ensure that the fast-track process does not compromise our right to be kept informed.
