Tēnā koe,

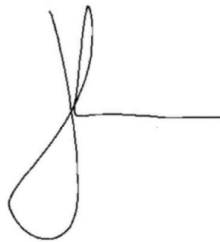

**RE: Invitation to comment on and notice of consent application for Rāpaki by Te Mahi Korowai Trust (LP13) under the COVID-19 Recovery (Fast-Track Consenting) Act 2020**

The New Zealand Infrastructure Commission (Infracom) is grateful for the opportunity to comment on applications submitted under the COVID-19 (Fast-Track Consenting) Act 2020.

On this occasion the nature and scale of the proposed development do not meet Infracom's threshold for engagement, and we therefore do not wish to comment on this application.

Should you have any questions please contact me at directly ([jonathon.clark@infracom.govt.nz](mailto:jonathon.clark@infracom.govt.nz)).

Yours Sincerely,

Jonathon Clark  
Manager, Major Projects and Advisory
