Dear Silverlight Studios Expert Consenting Panel,

Thank you for the request for information in relation to the Silverlight Studios application.

Please see below Otago Regional Councils answers to the questions:

**1. Are there any relevant provisions in ORC's plans / policy statements that are not included in Appendices 27 and 28?**

What is not included is an assessment against the relevant provisions in the Operative Regional Plan: Water for Otago, Proposed Plan Change 7, and Proposed Plan Change 8.

**2. Does ORC agree with the conclusions in the "Assessment" columns of those appendices; and**

Otago Regional Council agrees with the conclusions in the "Assessment" columns of the appendices.

**3. Are any additional resource consents required from the applicant over and above those set out in the AEE?**

There are no additional resource consents required from the applicant over and above those set out in the AEE. It should be noted that if the use of land turns to residential in any capacity, residential earthworks rules in Proposed Plan Change 8 will be triggered.

If you have any other questions, please don't hesitate to get in contact.

Kind Regards,

Soren
