Important

This form is used to request amendment(s) to a new organism approval.

This is not a formal application. The EPA is not under any statutory obligation to process this request.

If you need help to complete this form, please look at our website (www.epa.govt.nz) or email us at noinfo@epa.govt.nz.

This form may be made publicly available so any confidential information must be collated in a separate labelled appendix.

The fee for this application can be found on our website at www.epa.govt.nz.

This form was approved on 1 May 2012.

1. Which approval(s) do you wish to amend?

The organism that is the subject of this application is also the subject of:

- a. an innovative medicine application as defined in section 23A of the Medicines Act 1981. Yes No
- b. an innovative agricultural compound application as defined in Part 6 of the Agricultural Compounds and Veterinary Medicines Act 1997. Yes No

2. Which specific amendment(s) do you propose?

3. Why do you want the approval(s) amended?

4. Describe why you believe the proposed amendment(s) are minor in effect, or are needed to correct a minor or technical error

5. Appendices(s) and referenced material (if any) and glossary (if required)

6. Signature of applicant or person authorised to sign on behalf of applicant

- I request the Authority to waive any legislative information requirements (i.e. concerning the information that shall be supplied in my application) that my application does not meet (tick if applicable).

I have completed this application to the best of my ability and, as far as I am aware, the information I have provided in this application form is correct.
